TECHINICAL SKILLS

- HTML
- CSS
- JS
- React
- PHP
- Git

EDUCATION

CERTIFICATE IV- WEB-BASED TECHNOLOGIES
TAFE - NSW

BACHELOR IN LAW - BRAZIL
TIRADENTES UNIVERSITY

PROFILE

After many years of working with something that I've already felt confident and comfortable, I decided to dive into the exciting career of a Frontend Web Developer.

Transitioning from Law to IT has been one of the toughest paths in my life, and for the last years I've been doing workshops, online courses and finally got a certification at TAFE NSW in 2019.

I'm a fast learner and hardworking person seeking an opportunity to work on amazing web projects with a team of positive and inspired people.

EXPERIENCE

FRONTEND DEVELOPER VOLUNTEER
Muses Code JS| May 2020 - Present
- Working with a team of volunteers to build a new website for the organisation using Keystone.js, Next.js, and Emotion.

SOFT SKILLS

- Multi Tasker
- Reliable
- Team Player
- Organized
- Quick Learner
- Problem Solver

PROJECTS

MUSES CODE JS WEBSITE (IN CONSTRUCTION)
https://github.com/muses-code-js/musescodejs

- The project is a new and open-source website to improve how the organisation manages the workshops and meetups they offered around Australia.
- Technologies used: **Keystone.js**, **Next.js**, and **Emotion**.

SUNNYSPOT HOLIDAYS CARAVAN PARK
https://laizeferraz.com/sunnyspot.html

- The final project delivered during my certification at TAFE, SunnySpot is a responsive website with a database system to manage the rent of cabins and caravan park spots.
- Technologies used: **HTML**, **CSS, JavaScript**, **PHP**, **MySQL**, and **JQuery**.

PORTFOLIO
https://laizeferraz.com/portfolio.html

- Personal website portfolio designed to show all the projects I developed during my certification at TAFE NSW.
- Technologies used: **HTML**, **CSS, JavaScript**, and **PHP.**

17 TOOLS DESIGN
https://laizeferraz.com/17tools.html

- 17 Tools is a desktop and device mockups of a fictional online store that wants to emphasise the durability and quality of their tools in the tough work environment of contractors.
- Technology used: **Adobe XD.**

STARBUGER DESIGN
https://laizeferraz.com/starburger.html

- Starburger is a desktop mockup of a fictional burger store. The goal here is to inspire the freshness of ingredients, the new online order service, and the healthiness of its food.
- Technology used: **Adobe Photoshop.**

SOCIAL MEDIA
https://laizeferraz.com/socialMedia.html

- This is an informative website about the YouTube platform I had to built to present during my certificate at TAFE NSW.
- Technologies used: **Sketch, HTML,** and **CSS.**
